Subject: Reply to liaison statement on AAP Consent of draft new Recommendations

Approval: Agreed to at IEEE 802.3 Plenary meeting, Macau SAR, PRC, 17th March 2016

Dear Mr. Webster and members of ITU-T Study Group 9,

Thank you for your communication of 28 January 2016 regarding the status "LS on AAP Consent of draft new Recommendations". We look forward to further information as these projects make progress. For your information, IEEE P802.3bn EPON Protocol over Coax has recently completed initial Sponsor ballot on Draft 3.0. We expect 1st Sponsor recirculation ballot on Draft 3.1 to commence in the near future.

We look forward to receiving updates as your work progresses.

Sincerely,

David Law

Chair, IEEE 802.3 Ethernet Working Group
